**Aims**
To prepare you for academic study by developing your ability to write grammatically accurate English.

**Outline**
The syllabus is flexible and based on your language needs, but will cover:
- Key areas of grammar
- Contextualisation of grammar in short practice-writing tasks
- Academic style
- Defining, describing things and processes, explaining, exemplifying and narrating
- Summarising and paraphrasing skills

**Outcomes**
By the end of the module you should have:
- Reviewed your command of English grammar and prioritised areas for development.
- Considered ways of developing your accuracy in academic writing
- Explored key areas of grammar
- Practised key academic study skills, both general and discipline specific
- Had the opportunity regularly to practise writing and receive feedback.
